Everything was so good in Eden, until the devil shows up...

Read Gen. 3:1-13

1) Whose fault was the Original Sin?

2) What was the Original Sin?

3) Why would A+E sin when they had it so good?

ANSWERS

1) Original Sin was not Adam or Eve's fault, it was the devil. It was the devil's fault because it was him who tricked A+E into eating. At the same time though, A+E knew they weren't to eat from the tree, so I believe that Original Sin was the devil, Adam, & Eve's fault because they all had something to do with Original Sin.

2) The original sin was the first sin ever made by us. It was the sin that A+E made, eating from the tree of knowledge.

3) A+E sinned because temptation clouded their eyes of conscience. They knew they were sinning, but they thought God was wrong to hide the tree from them.

(Advice #1 Don't dialogut with the devil) (he wants to give~~s~~ doubt!)

Eve: We can eat from any tree except the one in the middle of the garden...!

Devil: 'God has lied to you!'
'If you eat it you will be
like God and know good and evil!'

(Advice #2: Look out! The devil
always tries to make evil look

(Advice #3: The devil likes

Original Justice

Original Sin etc...

Original Sin: the first sin

of A+E that weakened the whole
human race.

The original
sin was

a sin of
pride

⇒ specifically it was eating the
fruit from the ~~Tree~~ Tree of Knowledge

When God
confronted them,
instead of repenting,

they played the blame game and wished they still had.

(original justice was
lost)

↳ They did end
up knowing good
and evil:

evil was what they now
had:

- shame

- regret

Pride:
A+E thought their plan was
better than God's

Why did God punish us
for a sin A+E committed?
(original sin)

→ O.S is kind of like
genetics → it has been passed
down to us from our first
parents.
