Example of St. Patrick's Prayer

First paragraph talks about our complete dependence on God. It asks for Christ to be everywhere with us.

It even talks about Christ "winning us": we even need Christ in order to have faith in Christ!

"Christ in quiet, Christ in danger"

This means we need Christ in our times of quiet and danger

2nd P

"I bind myself to the name...."

The name of God is holy and powerful. It must be treat with reverence.
