Moses is in the desert, being a shepherd and minding his own business. God has other plans...

Moses brings the sheep to mount Horeb

Moses sees the Burning Bush (angel) and investigates. God calls his name. Moses is scared, but God tells ~~him~~ him he is going to save Israel! Then God says 'you are going to do the work'

Moses: "Who am I?"

God: "I will be with you"

Moses: "Who are You?"

God: Yahweh (I Am) ~~Yahweh~~

Theophany: God revealing something specific about Himself

Moses Moment

My way vs Thy way

→ God will be with him!

→ Moses' vocation
