

### 7 Deadly sins

P. A. G. G. L. E. S.

Samson was clearly a sinner:

**Pride** → s. thought he was invincible to the point that he revealed his secret to the enemy.

**Anger** → led to killing people/animals. Desire for revenge

**Lust** → visiting a harlot;

drawn to women for looks

These sins by themselves, do not necessarily end in a tragic life...

### II-E- Samson repented?

- Samson completed his vocation? - Judges 13:5
- Samson made it to Heaven?
