

# Colloquium 8

12/4/18

arrogant: "I have the truth."

accurate: "I have the truth."

"It is true that there are no truths."

Contradictory statements

Statement is absurd

God exists → objective

12/11/18

~~is~~ (either he does, or he does not, regardless of opinion.)

medicine truth: objective; based on reality

ice cream truth: subjective; based on someone's opinion

"We should choose a church or faith not because of how it makes us feel, but b/c it

# COLLOQUIUM 8

12/11/18

is objectively true + good for us."

How often ~~do~~ you share your faith w/ people you know? Is it enough?

Explain in 200 words
