How far is too far?

→ This is the wrong question to ask.

The right question is how much can I love this person? If I love the person, I will do what is best for them!

Homosexuality: Sexual attraction to someone of the same sex.

→ According to the CDC, less than 5% of the U.S. population has this attraction

→ Not sinful by itself → attractions often are un-asked for.

The sin if he ~~do~~ 'acted out' sexually

What should someone with this action do?

Masturbation: self stimulation (sexual) sexual
→ gravely sinful! b/c it makes people into an object.

It's like trying to put out a fire w/ gasoline
