

Colloquium 8

12/5/18

Why We're Catholic by Trent Horn

→ Each week read the Chapter with a parent, and write 200 words about what you discussed.

→ For ~~12/12~~ 12/12, read chpt 1.

Introduction: Why we believe anything

→ Belief should follow truth and not the other way around.

→ According to the author everyone wants to be happy.

● Chapter 1: Why we believe in truth

→ arrogant: "I have the truth"

accurate: "I have the truth"

→ The statement "There is no such thing as truth" is a self contradiction, ~~because~~ because it is claiming to be true.

→ Truth: That which corresponds to reality

Subjective Truth: Statements that describe opinions and are only true for the person who makes the statement.

7/1/22

Philosophy

Objective Truth: Statements that describe reality and are true for all people

Subjective Truth: Statements that describe reality and are true for some people

Example: The sky is blue

Example: The sky is blue (subjective truth)

Example: The sky is blue (subjective truth)

Example: The sky is blue (subjective truth)

Example: The sky is blue (subjective truth)

Example: The sky is blue (subjective truth)

Example: The sky is blue (subjective truth)

Example: The sky is blue (subjective truth)
