### **TUITION ASSISTANCE INFORMATION**

To make Catholic school affordable for all, we offer a detailed personal tuition assistance plan that considers financial need and family size among other factors. All families apply for the Archdiocese aid program through TADS with early applications considered strongly. Pre-K families are encouraged to participate in Maryland state programs to help manage tuition. Families in Pre-K can participate in the Archdiocese program and select state programs, but are not eligible for the state's BOOST program nor parish aid.
