TUITION ASSISTANCE INFORMATION

To make Catholic school affordable for all, we offer a detailed personal tuition assistance plan that considers financial need and family size among other factors. All families apply for Archdiocese and parish aid programs through TADS with early applications considered strongly. *The parish matches awards given by the Archdiocese of Washington.* Families are encouraged to participate in BOOST, Maryland 529 and other programs to help manage tuition. Families in Pre-K can participate in select state and local programs, but not BOOST, ADW or parish aid.

** We understand that facing the real cost of tuition for the first time can be intimidating for new families to our K-8 school. We also are confident that the education and experience at Saint Bernadette School will be so good for your children and your family that it will be worth the sacrifice, confident enough that we will shoulder \$1,100 of that tuition burden for you during that first year! Pre-K is not eligible for the K-8 grant.

1. Over the past three years, approximately one in three families applied for tuition assistance and the average award in all forms for families who applied was over \$1,800 per child.
2. Saint Bernadette Church provides over \$100,000 in tuition assistance annually.
3. In 2020-21, our students received over \$200,000 in tuition assistance from all sources.
