

## Join the SBS Homework Club!

Would your 5th- 8th grade student benefit from help with organization and supervision of their homework assignments? Homework Club might be the place for them! Homework Club will operate in the library **starting on January 4th from 3:00-4:30 pm Monday, Tuesday, Wednesday, and Thursday**. Your family would have the option of signing up for 1, 2, 3 or 4 days per week. Families can sign their child up for as many days a week that they feel would be beneficial. When they arrive at the Homework Club, students will eat a snack, take a short break, and then begin to work on homework supervised by teachers in a non-distracting environment. Our teachers will support students with organization, questions, or additional information they might need to complete the assignment. Although our goal will be to have students complete homework during this time, some students may need additional supervision of homework after school depending on the number and complexity of assignments they have been given. Students may also need additional assistance studying for tests and quizzes.

**Since the SBS Homework Club will begin in the middle of the Second quarter, students who register and join starting January 4th to January 20th will pay a prorated quarterly rate of:**

- 1 day- \$68**
- 2 days-\$113**
- 3 days- \$150**
- 4 days- \$180**

**Prices for the Third and Fourth quarter for each student are:**

- 1 day- \$180**
- 2 days- \$300**
- 3 days- \$400**
- 4 days- \$480**

**(plus \$50 registration fee)**

**Third quarter rates will begin on January 23rd.**

Children registered for Homework Club must be picked up by 4:30 pm or must register for Extended Day Care (EDP). Children not picked up by 4:30 pm from Homework Club will be sent to EDP and charged the drop-in rate.

An additional Registration Fee of \$50.00 per family will go toward purchasing extra snacks and supplies used to support the students. *Please make all checks payable to "Saint Bernadette School" Note: "For Homework Club"*

**Homework Club will not be in session on the following days:**

- Fridays and Half Days
- Any week day we do not have school for a holiday or weather related emergency
- first week of school and last week of school
- days before: Thanksgiving break, Christmas break, spring break and Thursday before Memorial Day weekend.

Please remember the number of staff members in the homework club is set up depending on the total number of children enrolled. Fees for the quarter reserve your spot for the quarter. For additional information or questions, please contact:
